

MEMORANDUM OF UNDERSTANDING

between

- THE SAFETY AND SECURITY TECHNOLOGY CLUSTER

Czech Republic (Ostrava, Czech Republic)

and

CENTRALNY INSTYTUT OCHRONY PRACY - PAŃSTWOWY INSTYTUT

BADAWCZY

(Central Institute for Labour Protection - National Research Institute)

Warsaw, Poland

The Safety and Security Technology Cluster and the Central Institute for Labour Protection - National Research Institute (Centralny Instytut Ochrony Pracy - Państwowy Instytut Badawczy) establish this Memorandum of Understanding to support cooperation in research and scientific activities in the following areas:

- initialization of international projects
- transfer and exchange of information to increase the competitiveness of both organizations
- other related areas of cooperation depending upon the needs and activities of both Parties.

SCOPE OF COOPERATION AND COORDINATION

1. Participation in conferences organised by the other Party (depending on the resources available for each Party).
2. Preparation of joint research and scientific projects of common interest.
3. Sharing relevant information in the area of industrial safety.
4. Other forms of cooperation depending upon topical needs and activities.

RENEWAL, AMENDMENT AND TERMINATION

1. The Memorandum of Understanding is made for 5 years; it may be expanded for another 5 years' period unless one Party gives notice six months in advance that it wishes to terminate the agreement.
2. The notice period is 6 months.
3. Any modification, amendment and supplement of this Memorandum of Understanding must be done in writing.
4. This Memorandum of Understanding becomes effective on the date of signature.
