

MEMORANDUM OF UNDERSTANDING

between

THE SAFETY AND SECURITY TECHNOLOGY CLUSTER

and

OPOLE UNIVERSITY OF TECHNOLOGY

On the basis of Memorandum of Understanding and the meeting held in Opole on 18 March 2013, the Safety and Security Technology Cluster and Opole University of Technology establish this Memorandum of Understanding to support cooperation in research and scientific activities in the following areas:

- Initialization of international projects
- Transfer and exchange of information to increase the competitiveness of organizations
- Other related areas of cooperation depending upon the needs and activities of Parties

TERMS OF COOPERATION AND COORDINATION

1. The participation in conferences organised by the other Party.
2. The preparation of joint research and scientific projects.
3. The sharing of relevant information in the area of industrial safety.
4. Other forms of cooperation depending upon topical needs and activities.

RENEWAL, AMENDMENT AND TERMINATION

1. The Contracting Parties agreed on the annual evaluation of cooperation implemented under this Memorandum of Understanding.
2. The Memorandum of Understanding is made for 5 years; it may be expanded for another 5 years' period unless one Party gives notice six months in advance that it wishes to terminate the agreement.
3. The notice period is 6 months.
4. Any modification, amendment and supplement of this Memorandum of Understanding must be done in writing.
5. This Memorandum of Understanding becomes effective on the date of signature.

The Safety and Security Technology Cluster:
